DO YOU WANT OFF-LEASH HOURS?

Currently there are no off leash accessible beaches in Live Oak – we want to change that

Live Oak community dog owners are asking Santa Cruz County to establish from Sunrise to Sunset off-leash access to 20th Ave beach aka 21st Avenue County Park only.

This is our chance to legalize an activity on the beach we have had for the past 20+ years! If this sounds good to you, join us! Contact the Parks and Recreation Commission and Supervisor John Leopold and tell them you want off leash beach access!
